

Circular No: RD/G01/2018  
Date of Issue: 30 Jan 2018

To: All Licensed Gas Service Workers and  
Professional Engineers

Dear Sirs

**SINGAPORE STANDARD SS608 : 2015 CODE OF PRACTICE FOR GAS  
INSTALLATION – AMENDMENT NO.1**

Under the Gas (Supply) Regulations, a gas service worker shall be in compliance with the Singapore Standard SS608 Code of Practice for Gas Installation when carrying out any gas service work.

2 SPRING Singapore has in Dec 2017 issued an amendment to the Singapore Standard Code of Practice SS608 which address the requirement for flexible tubing and its connection for gas industry practice.

3 The amendment (cited as “Amendment No.1 November 2017”) has been uploaded by SPRING Singapore at the Singapore Standard Eshop website. You can access the amendments at the following link: <https://www.singaporestandardseshop.sg/singaporestandards/amendment.aspx>. A copy of the amendments is also attached.

4 All Licensed gas service workers and professional engineers are advised to take note and familiarise themselves with this amendment and ensure compliance.

5 We would appreciate it if you could bring the contents of this circular to the attention of your members/staff. Please contact our officers at telephone numbers 63767582 or 63767592 for further clarification.

Yours faithfully
